Diploma of Project Management

BSB50820

This qualification reflects the role of individuals who apply project management skills and knowledge in a variety of contexts, across a number of industry sectors. The job roles that relate to this qualification may include Project Manager and Project Team Leader.

Individuals in these roles have project leadership and management roles and are responsible for achieving project objectives. They possess a sound theoretical knowledge base and use a range of specialised, technical and managerial competencies to initiate, plan, execute and evaluate their own work and/or the work of others.

Job roles:

- Project Manager
- Monitoring and Evaluation Manager
- Project Contracts Manager
